State - ODOT Transportation Enhancement Program	Taylor Street – from Sheridan to Elm and Elm Street - from Marquam to Church	\$224,325	\$25,675 will be required in FY 2011/2012 budget, likely source will be Street Reserve	Notice of intent due June 30	Applied, we should hear back early 2011 <b>Update – we were denied this grant.</b>
Federal - COPS	Hiring recovery program – funds to hire or rehire full time officers to increase community policing capacity & crime prevention efforts	0+5	Yes (25%)	Feds will be contacting us in early June	Mt. Angel no longer eligible for this grant program
State - ODOT – Ped & bike grants	Sidewalks	\$143,640	\$15,960 of the Council money set aside for sidewalks (currently in street reserve fund)	Due July 9, 2010	Applied for sidewalks to Fisher Park, should hear back November/December 2010. <b>Update – we were denied this grant.</b>
Local - Ofest Grant	Saalfeld Family Park Sign	\$3,000	No	October 31, 2010	<b>Update: not awarded grant but Ofest to build sign.</b>
Gates Foundation	Library Gates Grant	\$5,200	Yes – Matching funds were required to be from donations.	Awarded	All computers are now replaced with new ones. Rec'd 4 computers in year one (2009) & 4 in year two.
State Library	Children's Summer Reading Program	\$1,000.	No	December 2010	
Defederalized CDBG funds	Housing Rehab Grant – no interest loans for qualified (low to moderate income) residents for repairs and improvements to their homes. \$20K max award	Approx. \$109,000* (*not counted in totals at the bottom, this is now a revolving fund)	No	Received – revolving loan fund	There are some pending changes to how we can utilize these funds, may allow more flexibility including the possibility of using this for sewer/water repairs and or bill payments.
City County Insurance Services	Repairing/fixing stairs at City Hall on both West and South sides	\$6,198.55	No	Not applied for yet Application	\$6,587 received last year for computers, ergonomic office equipment. Personnel manuals are no ineligible.

				deadline and dollars must be spent by 06/30/13	
State – ODOT, flexible funds Program	Taylor Street	\$54,200	Yes, 10.27% required	November 12, 2010	Discussing Taylor engineering as a potential application. <b>Applied.</b>
Federal – Economic Development Administration	Water Master Plan projects related to industrial and commercial lands that could spur job creation. 1. Hwy 214 pipe replacement for fireflow 2. Industrial Way pipe installation 3. Railroad Avenue water line replacement	1. \$24,350 2. \$381,100 3. \$162,000	Yes, 40% match is required on these projects which can be met with our SDC funds	Due to COG Oct. 15, 2010 (submitted)	Program is for public works projects that have high potential for spurring significant private investment that result in the creation of jobs. The Mid Willamette Valley Council of Governments coordinates this for our 3 County region. Mount Angel has not been on the list in recent history requesting any funds. We have submitted 3 project ideas to see if we can qualify. Very competitive.
