Council Considering Changes to Outdoor Business Ordinance

The City Council has had discussions about the current Extension of Business Outdoors ordinance and is now considering amendments to the ordinance to change the scope to apply only to sidewalk cafés instead of any business that occurs outside the building regardless of whether it is in the public right of way. If you have questions or are interested in this issue, please contact City Hall at 503-845-9291 or attend the next Council meeting on November 5th at the library community room. You may also turn in a letter addressed to the Council if you cannot attend the meeting. We welcome your input!

Join us at the library for Baby Storytime

Bring your baby to the library for a great learning adventure! Babies from birth to 3 years old joined by an adult can sing songs, learn rhymes, laugh and share stories, followed by playtime and socialization. These activities give your baby the opportunity to hear lots of language while adults learn how to foster early literacy skills and prepare their children for learning to read. Baby Storytime takes place at the Mt. Angel Public Library at 290 E. Charles Street every Wednesday at 10:30am. If you have any questions about Baby Storytime or other children's activities, call the library at 503-845-6401.

Thank You Pepsi Northwest Beverages

Al Fiedler and employees from Pepsi Northwest Beverages volunteered their time for the Pepsi refresh project in Ebner Park the week of September 17th. This is third year that Pepsi has made this great contribution to our community and we at the City greatly appreciate their work.

Volunteers painted the picnic shelter, the bathroom, and the preschool building to help spruce up the park. They also generously donated \$5,000 to the City for parks improvement.
