City Council to Consider Annexation Ordinance

On January 4th, the City Council will consider an ordinance to annex the 20-acre parcel that was subject of an advisory vote by the city electorate on November 3rd. On May 4, 2015, the City of Mt. Angel received the request to annex and rezone a 20-acre parcel of property located in the urban growth boundary, west of city limits. The Council referred the question of annexation to the electorate at the conclusion of a public hearing on Monday, July 6, 2015. At the November 3, 2015, election, the annexation request was approved by a majority of City voters.
