## Candidate Forum

The Mt. Angel Chamber of Commerce is sponsoring a community forum featuring the candidates for the 5<sup>th</sup> Congressional District, House District #18, and Senate District #9. Candidates for city council and mayor have been invited to participate. There will also be a presentation of Ballot Measure 97, the corporate tax measure. The Forum will be held Thursday, October 13th at 7:00 p.m. at the Mt. Angel Library located at 290 E. Charles St. The community forum is free and open to the public. Candidates will give a short presentation and answer questions from the audience. Ed McKenney of GEM Equipment is moderator. For more information please contact the Mt. Angel Chamber of Commerce at email: machamber@mtangelchamber.com.

## Storm Drain Dumping

Many people don't realize stormwater flows untreated into our streams and rivers. Many of these waterways eventually find their way into our drinking water supply. It only takes a small amount of material to have a devastating effect on our watershed. Let others know our storm drains lead directly into our lakes, rivers, and streams and take the time to educate friends and family on the difference between sewer systems and storm drain systems. The diagram to the right shows the difference. For further information contact Public Works at 503-845-6260.

## Street Sweeping Time

It's that time of the year once again when the leaves and rain begin to drop! Accordingly, the City of Mt. Angel has initiated its city-wide street sweeping. The Public Works Department reminds all residents to move vehicles and trailers off of City streets before street sweeping begins, which starts every Friday at 5 a.m. The goal of the street sweeping is to keep catch basins clear of debris and prevent any flooding conditions. We appreciate your assistance with our continued efforts to maintain the city of Mt. Angel.

## Here's to another great

## Oktoberfest!

The annual fall festival Oktoberfest requires coordination and lots of work from many partners including the Oktoberfest organization itself, the vendors, the City Police Department, the Chamber of Commerce, and many others. At the City we understand that the festival causes some disruption to normal activities in town and Mt. Angel citizens handled it this year with poise. Thank you for helping visitors feel welcome in Mt. Angel and for contributing to an enjoyable festival for everyone!

## Utility Application Update

If you received a request to update your utility application and have not done so, the final deadline is approaching. The final deadline to avoid interruption of services is **October 17, 2016** at 5pm. All accounts older than five years were asked to update their information. Please call City Hall if you are unsure if you were required to do so. Thank you to all of you that completed your application!
