New Employee Profile: Emily Marshall

Emily is our Police Department's new Administration Assistant. She took over for Lynn Jenks who retired in May after 8 years of service. Emily will be the person to greet you on the phone and in person on Wednesdays, Thursdays, and Fridays. She is a native Oregonian, born in Portland, and has never moved very far away. She has been married to an officer of another city for 3 years and has a 9 month old. When you talk to Emily you will see she is cheerful and positive. She enjoys being social and spends her time off scheduling playdates, coaching soccer, and being at church activities. Emily describes herself as a "people pleaser with a backbone, strong work ethic, and detail-oriented." She is looking forward to the variety that her new position offers, the challenge of dealing with difficult situations and trying to make them the best it can be. "It's a great honor to help a

group of officers that make sacrifices for the community," she said when asked why she chose this career path. Please stop by the Police Department and say hello and make Emily feel welcome here!

Fourth of July Parade

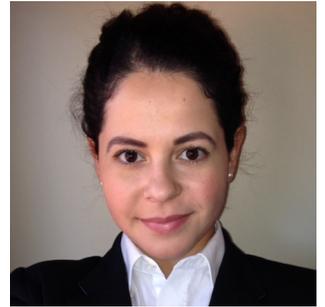

Come out and support the Mt. Angel Chamber's annual parade. It will return to the route of prior years, starting at the High School, turning south on Birch, west on Taylor, and finally south on Garfield where it will end just after Church Street. Parade entry forms and more information can be found on the back of the Mt. Angel Shopper.

Thank you Fessler's!

Marvin and Katy Fessler donated and planted the raised beds at Saalfeld Park. We thank you for your continued generosity!

New Employee Profile: Anela Javor

Anela joined the Police Department in May as a full time officer. She was born and raised in Bosnia until she was 6. At that time her family moved to Germany where they resided until they moved to Portland, Oregon while Anela was in her teens. She can speak her home language, Bosnian, as well as Serbo-Croatian, German, and Russian. Anela fell in love with Mt. Angel as the size, look, and warmth reminds her of the town she lived in Germany. Both of these places were welcoming and feel like home and her impressions have been cemented, as she has been here over a month. She expresses how warm and welcoming the citizens of Mt. Angel have been and she appreciates the friendly attitude the residents have towards the Police Department. Ever since Anela was in her teens she has wanted to be a police officer. I like working with people, solving problems and helping to make a difference. She currently lives with her fiancé, who is an officer, and 2 dogs. They enjoy the beach, hiking, travel, Trailblazer games and USC Football. Please welcome Anela and continue the good work that has already made her feel at home here.

It is with mixed feelings that we announce the departure of Chaanee Seifried, effective July 1st. It is always sad to lose a dedicated, hardworking employee. Our only consolation is that Chaanee is comfortable with her decision and is advancing in her career. Chaanee will be joining the City of Molalla as their Finance Director. Chaanee has contributed so much to the success of our City. We want to acknowledge her efforts and thank her for the unconditional commitment and dedication throughout the years.
